I understand that by submitting the Skip-A- Payment Application to Texas Telcom Credit Union, I am requesting that my monthly payment be deferred. I understand that my payment may be deferred if it is not one of the first six monthly payments due on my loan, during two consecutive months, more than twice in one year with a maximum of five over the life of the loan, or I am not otherwise in default. **Excludes Single Term Loans, Mortgage, MasterCard and Business Loans.** I understand that by taking advantage of this Skip-A-Payment coupon my loan will be extended for each Skip-A-Payment granted. I understand that the interest will continue to accrue on my unpaid balance and that my \$ 25.00 fee per skipped loan payment is not part of my deferred payment. I further understand that my loan agreement with the Credit Union provided for regular monthly payments, that this request does not change my legal obligation to Texas Telcom Credit Union, and that Texas Telcom Credit Union is informally permitting me to defer the monthly loan payment

Note: If your loan is paid weekly, bi-weekly, or semi-monthly, the agreement will allow you an extension for an entire month of payments.
